We are **attempting to have a tour available with lunch aboard** the **U.S.S Orleck deck** the most decorated ship in the Vietnam war, and which also saw duty in Korea. This ship is on the north side of the river across from the Double Tree Riverfront Hotel. More information to follow.

This is a map of the South Bank of the St. John's River; the Double Tree Riverfront is located at the south end of the John T. Alsop Jr. Bridge at the Riverwalk (see the blue arrow).

As you cross S. Main St. on the bridge there will be many other areas to eat, drink, sightsee and shop.

San Marco is the area close to the Hotel, there are many different areas to explore with shops, restaurants, pubs and more. Just contact Beach Buggy for up to ten people for a free ride but tips are requested.
