Please see the following pages for the CAP Association Legacy program, where your eligible relatives can now join our Association.

CAP Unit Veterans Association Members,

We've started the CAP Legacy Membership Program to preserve the Association's history, fellowship, and traditions for future generations.

The Legacy Membership Program allows eligible family members to remain connected to the Association and help carry the CAP legacy forward while honoring the service of CAP Marines and Corpsmen.

Membership:

- Open to spouses, children, siblings, and grandchildren of CAP Marines and Corpsmen
- Annual dues will match current membership dues (currently \$30/year)
- Eligibility will be verified through a simple vetting process
- Legacy Members may provide input but are non-voting members to ensure the Association's mission and traditions remain intact
- Please share the enclosed Legacy Membership application with eligible family members who may be interested
- Additional information will be available on our website at:
<https://cap.vet/>

If you have questions or would like to help with the Legacy Program, please email usmc.cap.legacy@gmail.com or contact Sue Alton at 707-834-5932 or Susan Breagy at 508-951-1402.
